

# UPTOWN HALL POLICIES & PRICING

*Not a contract or agreement*

## **Policies**

Thank you for considering the Uptown banquet hall for your event. A free guided tour of the facility is available prior to booking. The staff is here to make your event a success and assist in any way possible. The following policies are stipulated in order to make your event go smoothly and benefit both the renter and the banquet hall staff.

The banquet hall has a spacious kitchen for reheating and keeping food warm. There is ample storage for food and beverages, as well as outside access to the kitchen for easy loading and unloading of goods. The hall encourages the customer to use the caterer of your choice. You can work with your caterer to create your party just the way you want it. We are flexible and accommodating.

Cleanup after the event is the responsibility of the renter. Place all trash in the available trash containers before leaving. The hall provides a large dumpster for trash removal after an event. The renter will forfeit the rental deposit if the hall is not properly cleaned after use (i.e. trash out, food removed from refrigerator and kitchen).

The hall reserves the right to request reciprocal use, for in-house publications or online promotional dissemination, of photographs or videos created that include any part of the hall. The photographer or filmmaker shall retain copyright of their images and will appropriately credited in any hall uses of the images or films.

The staff of the banquet hall will setup and breakdown tables and chairs. The banquet hall accommodates 125 people seated at round tables. Tables and chairs are not to be removed from the banquet hall.

Decorating the hall is allowed and generally available for 2 hours prior to the start of the event. No tape, tacks or nails of any kind are allowed on the banquet hall walls, ceiling, or lighting fixtures.
